6 PM – 7 PM	Campus tour [UM6P campus aka the whole map if you want]
7 PM – 8:30PM	Dinner [CCI ansamble]
9 PM – 11PM	Trivia quiz (20% of the final score) [Agora @ 1337]

- To help us host you in the best way possible please stay in contact with your guide and share your arrival time for a smooth check-in.
- If you have luggage, it would be better for you to do the campus 2 check-in first (available from 2pm) and then 1337 check-in (available from 4pm)
- Electric buses operating Monday to Friday, 7:00 AM to 9:00 PM, will help you move back and forth from campus 2 to near the event venues. you can live track them using [this app](#)
- This the only day where you can have some fun on campus: eat msemen, play any sport involving a **ball** (even **bowling**, ping-pong, padel, ...) but also **sleep** :)

7 PM – 8:30PM	Dinner [CCI ansamble]
9 PM – 11PM	Mini-Challenges30%+Hacking [C4 floor 1337]

- Have your meals on time, the earlier, the better :)
- Come to the venue on the exact time with a curious mind and happy stomach
- Take notes and ask questions (even though you can always ask them in-person please use our WhatsApp community to avoid them repeating the same answers ;3)
- After the long-awaited hackathon opening, you will then take your dedicated spaces. Use the first hour to brainstorm your project idea to help you go in the right direction and identify the best mini challenges to start with.
- During the mini challenge in-person evaluation, you will need to restart and rerun your notebook while explaining all the code and the concepts behind it. He/she will ask your questions to make sure you understand what you're talking about. If the evaluation is successfully validated, your team will gain some XP points.
- Make good use of the credits provided by sponsors and friends (Elevenlabs, Adaption, Google, Hugging face)

5 PM – 6 PM	Hacking [C4 floor @ 1337]
6 PM – 7 PM	Hacking [C4 floor @ 1337]
7 PM – 8:30PM	Dinner [CCI ansamble]
9 PM – 11PM	Final Submission

- No more buses sadly! But a nice 10 min refreshing walk to the restaurant using the gate near just next to Hilton is a perfect way to start the day.
- You may feel tired today but keep pushing. Today you will see less **red** and more **green**.
- Remember that there's a line of mentors willing to assist remotely and in person, you don't fight alone!!!!
- Don't forget the business aspect and concentrate on the technical one. Yes your github will be reviewed but your pitch is what is going to sell your project and convince the jury.
- Bookable 5 min private pitch test sessions with personalised mentoring will be available try to make the most of it.
- You will need to submit in both our internal platform and 4hacks before 11pm.
- The submission includes links of the following: slides, GitHub repo, a video demo, and a short description of the project.
- Don't panic editing slides after submission is not considered cheating. But you may want to sleep well.
- Remember that **your tomorrow's self** will totally thank you.

Day 4	Sunday 17th May
7AM- 8:30AM	Breakfast [CCI ansamble]
9AM – 10AM	Pitch Boss (to jury) 50% [Agora @ 1337]
10AM – 11AM	
11AM – 12AM	Hiring Booths [C4 coworking space @ 1337]
12AM-2:30PM	Lunch [CCI ansamble]
3 PM – 4 PM	Closing & Awards Ceremony [CCI Amphi]
4 PM – 5 PM	

- You can check-out early or at Lunch and leave your luggage at 1337
- Pitch like a boss, it is not required for the whole team to pitch but the more the better.
- Pitch length is 2 min followed by 2 min Q&A, then jury take some time to put the scores while the next team gets ready.
- The entire team needs to be present and involved (or you may be losing some points in the team score)
- A short break is expected once half of the teams are done to let the jury get some rest
- Come with your CVs to the hiring booths for a quick interview one by one
- After some honorable words from our sponsors, we will announce the winners, and take some pictures
